Submitted for orders

1) A draft letter is put up for approval & other orders. (The Head Assistant is an Officer of the State of an Asst Commissioner).

2) Whether the rule of practice in the case of the Municipality is to grant casual leave to the Municipal Commissioner?

Recommitted

3) The Municipal Commissioners in the Bangalore & Mysore City Municipalities are of the rank of the Deputy Commissioner According to standing orders officers of the rank of Deputy Commissioners obtain the casual leave [illegible] not exceeding three days at a time [illegible] Government is informed of such absence & no sanction is necessary Para 413 of the Manual of Government Standing orders).

Grant of Casual leave to the Municipal Commr., Davangere City Municipality

in the case by the Presidents of the Municipalities. But in the Davangere City Municipality an Asst Commr. has been posted as Mc Commr and the proposal of the President, Davangere. Mc C seems to be in order

HSV 17.3.48 Pr 18.3.48

4) The President Davangere City Mc has requested the Govt to authorize him to sanction Casual leave to the municipal Commissioner working in the municipality

5) The question raised is of some interest but involves a principle as to whether the Municipal Commr is subordinate to the President or not. The Govt is competent to grant casual leave would make the Mc Commr's place subordinate to the President

6) In the case of Bhadravathi Municipality the Mc Commr personally wrote to the Govt. requesting that they may grant him casual leave for working himself for 30 days. There was

would be attended to by the Health Officer or Municipal Engineer during the period of their absence. The Government is not authorized to grant any such leave to the Municipal Commissioners.

7) Another point that has been raised in the orders above is that the Municipal Commissioners of Davanagere etc. etc. are of the grade of an Asst Comr, while those of Bangalore and Mysore are of the grade of Deputy Commissioners. But while considering questions relating to Municipal Commissioners, the rank they hold in the general Civil Service Cadre need not be taken into consideration. But they are to be treated as Statutory Officers under the Municipalities Act. In this view the practice prevailing in the case of the Municipal Commissioners of Bangalore & Mysore about the obligation of the casual leave may perhaps be followed.

8) However whenever the Municipal Commissioner Davanagere etc. etc. takes casual leave for about three days, he may do so placing the Revenue Officer of the grade of the Assistant in charge of his work

during that period, intimating the fact to the Government if the period exceeds the above number of days, he should write to Govt & obtain previous sanction of Govt to enlarge the leave, indicating the arrangements he would make for the conduct of his work during that period. He would also be well advised to intimate the D.C. Chitaldrug District of his absence for the specified period for orders regarding leave.

4) The question raised by the Municipal President Davangere Mr. Gouda is really one which needs consideration

10) The posts of president & the municipal commissioner cannot perhaps but be considered as of equal status inasmuch as in other city municipalities Hence the arrangement proposed in paras 7 & 8 above may be prescribed to be followed whenever the municipal Commissioner intends taking leave in future.

11) There is an Asst. Engineer a Health officer & a Revenue officer at the place. Any one of these officers can at Thule, ~~may~~ remain in charge of the duties of the Asst. Comr whenever he intends to proceed on short leave or for emergent circumstances. In case of longer periods of leave previous sanction of H.Q. will be obtained
